

FIRE PLAN CHECK ENGINEER

Interwest Consulting Group is an engineering consulting firm serving municipalities in California. We are seeking an **ICC Certified Fire Plans Examiner** with in-depth knowledge of California Fire Code, Fire Sprinkler, Fire Alarm Standards and the California Building Code. We are seeking individuals with a minimum five years experience within a municipality or jurisdiction. This is an exceptional opportunity to become a key member of our highly qualified, collaborative and motivated fire protection team. Please state your preferred location when submitting your resume.

Location:

- Sacramento County
- Placer County

Duties and responsibilities include but are not limited to the following:

- Review fire protection plans and related documents for compliance with California Fire Codes, policies and jurisdiction requirements for commercial, industrial and residential buildings.
- Projects include new residential buildings, commercial, and remodel projects.
- Assist designers and contractors by providing information and interpretations of fire codes and regulations, recommend necessary changes to design documents as required to obtain compliance with applicable codes and regulations.
- Responsible for preparing written correction letters and maintaining and updating records and database information.
- Work with fire and building inspectors to resolve field related code issues and coordinate activities with other municipal departments as directed.
- Must possess current ICC Certification as a Fire Plans Examiner or Equal

Interwest offers a highly competitive salaries and generous benefits package to include health insurance, 401(k), ESOP, life insurance, long term disability, holidays and paid time off.
