

Assistant, Associate, and Senior Planners

Interwest Consulting Group was founded in 2002 and has become a leader in providing municipal services to cities and counties throughout the Western United States. We currently have over 375 employees specializing in building safety, municipal engineering, information technology, geographic information systems and city planning.

We are seeking experienced and motivated Assistant, Associate and Senior planners to provide planning consulting services to public agencies. We have current opportunities available in Northern and Southern California, and we are also establishing a list of potential planners for positions that may become available in the near future. We are accepting applications for both full-time and part-time positions.

Qualified applicants must have extensive experience in all aspects of municipal planning, including a general knowledge of plan review, zoning code compliance, coastal development permits, compliance with the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA), and able to work independently. Experience working in or for a public agency (city or county) planning department is preferred.
