

Assistant, Associate, and Senior Planners

Do you enjoy taking on challenging community planning issues? Are you interested in serving and supporting public agency planning departments? Would you be comfortable with concurrent assignments in more than one jurisdiction? If this sounds like a good fit, then Interwest Consulting Group would like to talk to you.

Interwest Consulting Group was founded in 2002 and has become a leader in providing municipal services to cities and counties throughout the Western United States. We currently have over 400 employees specializing in city planning, building safety, municipal engineering, information technology and geographic information systems.

As a company, Interwest is focused on providing results – to our clients and to our staff. Our Planning group is dedicated to professional development and is committed to mentoring our newer professionals. We work hard for our clients, but also remain flexible to adapt to the needs of our staff and strive for a work/life balance.

We are seeking experienced and motivated Assistant, Associate and Senior planners to provide planning consulting services to public agencies. We have current opportunities available in Northern and Southern California, and we are also establishing a list of potential planners for positions that may become available in the near future. We are accepting applications for both full-time and part-time positions.

Depending on location and position, knowledge of public counter services, plan review procedures, zoning code and general plan compliance, advance/policy planning, state and federal permitting procedures and compliance with the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA) may be required. Experience working for a city or county planning agency (as staff or consultant) is generally preferred. Must be able to work independently and have strong customer service skills.

Locations:

- Throughout Northern and Southern California
